INTRODUCTION

An important life skill involves the understanding of words and terms associated with everyday consumer activities. Each lesson is based on essential vocabulary pertaining to various real-life situations. Students gain practical knowledge while practicing basic skills in reading, comprehension, word definitions, spelling, and writing.

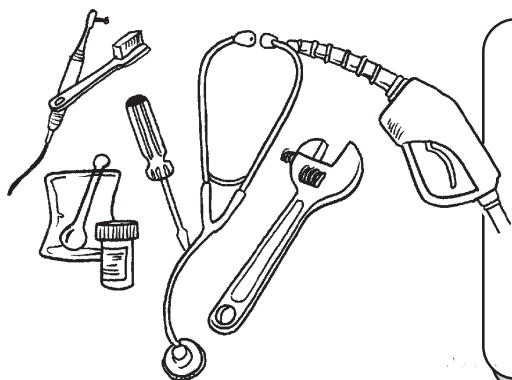

Activity pages include matching, writing word meanings, fill-in-the-blanks, crossword puzzles, spelling practice, and answering questions about the information learned. Some research projects are included.

This book is designed for use in grades 7-12. Readability is on the 4th-5th grade level.
